

TRIPLE TOOL LANYARD

IDEAL FOR TOOLS UP TO 3KG/6.6LBS

The Roughneck triple tool lanyard features 3 interchangeable tool ends. The tool end consists of a 250mm/10" webbing loop, heavy duty steel snap hook, and a dual channel barrel lock to ensure a safe and secure tool attachment. The lanyard features a stainless steel locking carabiner and a strong one-piece, internal shock cord with tight weave nylon webbing to prevent over-extension and snagging. Multiple connections methods, including belt loop and carabiner, allow the flexibility to find the most suitable anchor point. Tool ends are compatible with the 26-020 Roughneck Wrist Lanyard available separately.
