

GORILLA CONCRETE PICK WITH NON-SLIP HAND

DETACHARIE HAND GIJARI

Equipped with a patented non-slip grip that securely locks onto the shaft, the Roughneck Gorilla Bolster Chisel completely eliminates the age-old problem of grips slipping up the shaft during impact. Additionally, the grip can be removed within seconds to improve access in tight areas or to aid flush cutting. Manufactured from drop forged and heat-treated superior quality Chrome Vanadium steel to ensure outstanding toughness and long life performance. The 45 single chamfer cutting edge offers the optimal balance between cutting performance and longevity.

- Non-Slip Guard
- Detachable Guard
- · Chrome Vanadium
- · Drop Forged
- Heat Treated
