

SHARP-EDGE LAWN EDGING IRON

FOR EFFECTIVE CUTTING OF TURF

Built to last, the Roughneck Sharp-Edge Lawn Edging Iron is manufactured from heavy duty, carbon steel with a corrosion resistant tumble lacquer finish, connected to a tough and durable fibreglass handle that won't perish or rot through moisture ingress. The sharp serrated blade makes light work of cutting through turf, even when infested with roots. The large foot treads ensure maximum comfort whilst applying force by foot.
