

# SHARP-EDGE DUTCH HOE

FOR EFFECTIVE CULTIVATION AND WEEDING

Built to last, the Roughneck Sharp-Edge Dutch Hoe is manufactured from heavy duty, carbon steel with a corrosion resistant tumble lacquer finish, connected to a tough and durable fibreglass handle that won't perish or rot through moisture ingress. The sharpened front blade makes light work of cutting through roots and breaking down compacted soil, whilst the serrated back blade allows for effective back weeding. The sharp serrated side blades are ideal for rasping through thicker weed stems.

- Sharpened Blade
- Heavy Duty Blade
- Serrated Edge
- Heat Treated
- Tumble, Lacquered Finish
- Tubular Fibreglass Handle
- Contoured Grip
