

SHARP-EDGE POST HOLE DIGGER

FOR A MORE AGGRESSIVE DIGGING ACTION

The Roughneck Sharp-Edge Posthole Digger has sharp, serrated hardened steel blades that provide a more aggressive digging action compared to traditional posthole diggers. A steel socket reinforcement at the blade-to-handle connection point ensures toughness where it matters.

Fitted with solid fibreglass core handles for increased strength and durability. Ergonomic grips with integrated knuckle protectors ensure comfort in use. A metric/imperial gauge runs down the length of the handle to determine hole depth.

- Sharp Serrated Blades
- Hardened Steel Blades
- Metric/Imperial Depth Gauge
- Knuckle Protection
- Solid Fibreglass Handles
- Contoured Grip

Specification:

Bucket: Depth: 230mm, Diameter: 155mm
