

POINTING TROWELS - PHILADELPHIA

127MM/5" AND 150MM/6"

Drop forged from a single piece of premium-grade Chrome Vanadium (CrV) steel, ROUGHNECK pointing trowels offer increased toughness and wear resistance whilst maintaining lightness and dexterity. Alloying chromium enhances the steels' wear resistance, extending the trowels working life, while combining vanadium imparts greater toughness. Utilising this superior CrV steel, and undergoing further advanced hardening and tempering processes, the blade offers the optimal blend of strength, lightness, rigidity and flexibility. A durable soft grip handle provides a secure grip whilst ensuring day-long comfort. Also featuring a soft finger guard that can easily be trimmed off if preferred.

- 1-piece forged steel
- Chrome vanadium steel
- Soft grip
- Finger guard with cut-off guide

1-PC FORGED STEEL

CHROME VANADIUM STEEL BLADE
