

NEOFORM PLASTERING TROWELS

PREMIUM 301 STAINLESS STEEL FOR SUPERIOR PERFORMANCE

Designed for tradespeople who demand consistent flawless results, the ROUGHNECK NeoForm Plastering Trowels deliver exceptional performance straight from the first use. Crafted from premium grade 301 stainless steel, the blade provides a highly responsive feel with an exceptionally smooth, low drag glide ensuring immaculate finishes. The steel is hardened and tempered for long term durability, delivering reliable performance even under heavy use. The trowel features a broken in, concave blade with pre worn edges, allowing for immediate, unblemished results by minimising line and ripple marks. A durable soft grip handle offers secure handling and sustained comfort throughout extended periods of work. The handle is mounted on a lightweight, high strength aluminium mount, fully riveted with industrial grade rivets to deliver outstanding stability. A robust, responsive and ready to work trowel engineered for superior finishing performance.

- Premium 301 stainless steel
- Broken-in blade
- Pre-worn edges
- 0.7mm blade
- Aluminium alloy mounting
- Soft grip
